**SH-60B US Navy HSL-41 'Seahawks'**

Standard US scheme of Light Gray FS36375, upper surfaces Dark Gray FS36320 and lower surfaces Light Gray FS36495. Tail section is gloss black, note also black area painted behind exhaust outlets. A superb full walkaround of this aircraft can be found on the *DPDP Helicopters Vol. 1 CD*

(To avoid mis-registration problems, some elements have been printed as two-part decals)  
Use kit-supplied stencilling for all options.

**SH-60F US Navy HS-14 'Chargers'**

Standard US scheme of Light Gray FS36375, upper surfaces Dark Gray FS36320 and lower surfaces Light Gray FS36495. Tail section is insignia blue, note also black area painted behind exhaust outlets. This aircraft has sported several variations of this special scheme, with significant differences particularly in the tail art.

**SH-60B US Navy HSL-49 'Scorpions'**

Standard US scheme of Light Gray FS36375, upper surfaces Dark Gray FS36320 and lower surfaces Light Gray FS36495. Black area painted behind exhaust outlets. Approximate FS refs for tail stripes are Yellow FS13655, Orange FS12510, Red FS11350 and Blue FS15250 (all colours gloss).
